The conflicts of the early Christians in Corinth are in many ways similar to our struggles today as Christians. With divisions, immorality, persecution, and other trials of the faithful, the message of St. Paul to the Corinthians is a much-needed message for our own times. This study explores the key elements that the apostle Paul introduced to a new and growing Church. St. Paul taught the Corinthians about the nature of grace and the Church as the Body of Christ. In addition, he introduced the Corinthian Christians to the most powerful gift of all, the Eucharist.

Dr. Tim Gray is Chairman and Professor of Sacred Scripture at the Augustine Institute in Denver. He holds a Ph.D. in biblical studies from Catholic University of America. He is author of three books: *The Luminous Mysteries*, *Sacraments in Scripture*, and *Mission of the Messiah*. A nationally-renowned speaker, Dr. Gray has filmed numerous series for EWTN.
